The three new homes erected by Wirt Franklin on D street southwest have attracted no end of favorable comment  
since their completion and have added greatly to the standard of homes in that vicinity.  
The center home has already been sold to and occupied by James Barron and family, who recently came to Ard-  
more from Chicago. The other two are offered for sale and will undoubtedly find early takers, having but recently been  
completed and having every feature that recommends them for ideal homes.
